The Resurrection of the Son of God-Tom Wright 2012-06-07 N.T. Wright takes us on a fascinating journey through ancient beliefs about life after death, from the shadowy figures who inhabit Homer's Hades, through Plato's hope for a blessed immortality, to the first century, where the Greek and Roman world (apart from the Jews) consistently denied any possibility of resurrection. We then examine ancient Jewish beliefs on the same subject, from the Bible to the Dead Sea Scrolls and beyond. This sets the scene for a full-scale examination of early Christian beliefs about resurrection in general and that of Jesus in particular, beginning with Paul and working through to the start of the third century. Wright looks at all the evidence, and asks: Why did the Christians agree with Jewish resurrection belief while introducing into it - across the board - significant modifications? To answer this question we come to the strange and evocative Easter stories in the gospels and asks whether they can have been late inventions. Wright seeks the best historical conclusions about the empty tomb and the belief that Jesus really did rise bodily from the dead, recognizing that it was this belief that caused early Christians to call Jesus 'Son of God'. In doing so, they posed a political challenge as well as a theological one. These challenges retain their power in the twenty-first century.

The Son Rises-William L. Craig 2000-09-29 Is the Christian message of Jesus Christ and his resurrection true? Using ten lines of historical evidence, Dr. Craig defends the probability that Jesus was resurrected following his crucifixion. He examines the origin of the Christian movement, and more provocative subjects, such as the Shroud of Turin, parapsychological phenomena and hallucinations.

Christian Origins and the Question of God: The resurrection of the son of God-Nicholas Thomas Wright 1992

The Central Events Of History-Maxima Purdum 2021-07-05 According to the Gospels, Jesus was resurrected three days after his execution by crucifixion at the hands of Roman authorities. For Christians, this event affirms the divinity of Jesus and stands as a sign of God's continued presence in the world. The central events of history are the Death and Resurrection of Jesus Christ, the Son of God. This book, filled with diagrams and photographs from Jerusalem, reveals exactly where these momentous events took place. The Bible will come to life as you see in detail how the Drama of Redemption was acted out on Mount Moriah in perfect fulfillment of Prophecy.

Putting Tradition on Trial-Patrick Cavanagh 2015-01-07 Putting Tradition on Trial challenges the commonly-held beliefs that the Son of God was resurrected on either the first day of the week or the Sabbath day by comparing three popular Bible versions with literal translations of the relevant ancient Greek texts, thus enabling the reader to clearly discern where and how the Scriptures have been altered to accommodate these doctrinally inspired interpretations. It is supported by both astronomical calculations and historical evidence and identifies Jewish customs that no longer appear in the popular versions, which are a valuable aid in determining the correct context of key passages.

The Son Rises-Robert L. Wise 2008-02-19 When the Church gets lost in the maze of competing cultural agendas, its revolutionary message and life-giving influence are compromised and eventually consumed. This increasing marginalization is exactly what began to happen in the latter half of the twentieth century. Many say the answer is for the Christian community to seek a more prominent position in society, but respected teacher and best-selling author Dr. Robert L. Wise contends that we must confront the surrounding culture with a deeper understanding of Christ’s resurrection. Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers, who found in the resurrection a doorway to personal redemption that, in turn, transformed society around them. The Son Rises is a fresh exploration of Jesus Christ’s resurrection from the dead and His promise of continuing relationship with those who believe in Him.

The Death and Resurrection of the Beloved Son-Jon D. Levenson 1993-01-01 "The near sacrifice and miraculous restoration of a beloved son is a central but largely overlooked theme in both Judaism and Christianity. This book explores how this notion of child sacrifice constitutes an overlooked bond between the two religions."--

The Power of the Resurrection-Francis Innocent Otobo 2012-09 The Resurrection of Jesus is one of the central beliefs of the Christian faith. This belief and teaching cut across all the Christian denominations. Hence, Paul teaches that if Christ had not risen from the dead, then we would have been the most foolish of all religious groups. But the fact that He, Christ, died and came back to life gives us the opportunity to glory in the resurrected Christ. The book, The Power of the Resurrection, is centered on the resurrection of Jesus, and the meaning that this resurrection has for us as individual Christians, who believe in the risen Lord. It is not a theological work aimed at defining the resurrection, nor is it a historical work aimed at tracing or verifying the veracity the resurrection. No. It is rather a faith lifting book on the basis of the resurrection story as we have it in the Christian bible. Just as Jesus rose from the dead in the midst of all the opposing tides, so shall those who trust in him rise above all opposing tides in their life. Jesus could not be stopped, so also by the grace of Him who rose from the dead; nothing is going to stop your upliftment and manifestation also. The resurrection shall be your experience in your daily life and at the end of time, he who raised Jesus from the dead shall give life to your own mortal body too. This is the argument of the book. Jesus, the son of God, came into the world for the love of humanity. His teachings were misunderstood, and so through the journey to Calvary, he was crucified and died on the cross on Calvary. Yes he died. The chief priests and the scribes and the Pharisees, in conjunction with Pilate, conspired against him. He was sentenced to death. He accepted the death willingly and lovingly. He died that we might be saved. Hence, his death brought salvation to the world. However, before he died, he promised the resurrection. He did not hide the fact of the resurrection. Openly he said, the son of man shall be delivered into the hand of sinners, he shall be put to death, but on the third day, he will rise again. In another place, he said, destroy this temple, and in three days, I shall raise it up, and there was misunderstanding again. The people thought he was referring to the physical temple, but from scripture, we know he was referring to his body rising from the dead. Thus he did spoke about the resurrection quite clearly. This is where this book hinges its weight. Because he promised the resurrection, after the execution, the chief priests and the soldiers, knowing what he was capable of doing, asked the permission of Pilate for the grave to be guarded till the third day. This is because he said on the third day, "I will rise again". They knew that it could happen. They said: this man who gave sight to the blind, who raised the dead (Lazarus and also Jairus' Daughter), who cleansed lepers, who casts out devils; this same man said on the third day I will rise again. And they concluded: if he should "rise again" from the dead, then it will be worse for us. Hence, they received the permission to guard the grave, to prevent any rising from the dead. Humanly speaking therefore, the resurrection would not have been possible. This is because they did everything to prevent it. They put a very big stone to wedge the entrance, hence no coming out and no going in. More so, they stayed on guard with weapons to prevent any fraudulent act. They were prepared to kill again even if he should try to come out of the grave; that is, if he was able to overcome the wedging stone. Therefore, from the human point of view, it was impossible. By their calculation, they have overcome, they have conquered, and they have become victorious. But one thing they failed to understand was the statement of the Angel, which Jesus himself repeated to the apostles; that for men, it may be impossible, but not for God, because, for God, there is no impossibility. And so when the appo

The Resurrection-Stephen T. Davis 1997-05-29 Eminent scholars from a wide range of theological disciplines debate the central truth of Christianity, the Resurrection of Jesus from the dead. The many schools of thought include moral theology, philosophy, biblical studies and fundamental theology.

The Resurrection of Jesus in the Gospel of John-Craig R. Koester 2008 "Jesus' resurrection plays a central role in the narrative and theology of John's gospel. In these essays, leading Johannine scholars explore the relationship of Jesus' resurrection to his signs, crucifixion, and the faith of later generations. The embodied quality of the resurrection and its importance for Johannine eschatology and life within the Christian community receive special attention. Studies explore the interplay between the Farewell Discourses and the resurrection narratives, the role of John 21, Jesus' ascension, and Jesus' commission to forgive and retain sins. The essays give a rich sense of the many facets of Jesus' resurrection and its importance for the study of John's gospel and Christian theology."--BOOK JACKET.

Resurrection-Karl Olav Sandnes 2020-04-23 Christian faith depends upon the resurrection of Jesus, but the claim about Jesus' resurrection is, nevertheless, disputed. This book, written by a New Testament scholar and a systematic theologian in conjunction, develops the conditions for the claim. It carefully analyzes the relevant texts and their possible interpretations and engages with New Testament scholarship in order to show nuances and different trajectories in the material. The picture emerging is that the New Testament authors themselves tried to come to terms with how to understand the claim that Jesus had been resurrected from the dead. But the book does not stop there: by also asking for the experiential content that gave rise to the belief in the resurrection. Sandnes and Henriksen argue that there is no such thing as an experience of the resurrection reported in the New Testament--only experiences of an empty tomb and appearance of Jesus, interpreted as Jesus resurrected. Hence, resurrection emerges as an interpretative category for post-Easter experiences, and is only understandable in light of the full content of Jesus' ministry and its context.

Evidence for the Resurrection-Josh McDowell 2008-12-31 When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

10 verse 10 KJV. In this new and powerful excerpt of Edmund DeSoto's new book, The Man On That Cross, he eloquently pens the work that was done on the cross by no other than the King of kings. The Lord's resurrection is a powerful life changing fact, it is the eternal truth and reality that from the very beginning the enemy has been trying to erase from the pages of history. The moment he understood that he had made the biggest mistake of his life, a full blown attack on this "ETERNAL TRUTH" was launched by him and his demons.Without this eternal truth of the Lord's Resurrection, the Church (Born Again Believers) of the Jewish Messiah would have been defeated ages ago. Oh, but the Lord gave us a promise that could never be broken and even "...the gates of hell shall not prevail against it" (Matthew 16: 18 KJV).Edmund goes into detail how the future of mankind and that of the universes stood on the balance at one point in time without the resurrection of the Lord. But glory be to God in the highest for His love and great mercy. The powerful ministry of the Holy Ghost experienced by millions has been possible because of the resurrection of our Lord and Savior.Heaven has induced us with power because of the Resurrection of the Lord Jesus Christ. This Power from Heaven made flesh manifests the results of the Lord's life living in us. As He makes us His temple, the results are the attributes of His life manifesting through us. His Holy Spirit can't help but produce these wonderful fruits.The word of wisdom; to another the same Spirit givesThe word of knowledge and it is given by the same Spirit;To another faith by the same Spirit;To another the gifts of healing by the same Spirit;To another the working of miracles;To another prophecy;To another discerning of spirits;To another divers kinds of tongues;To another the interpretation of tongues:The anointing or the Power of the Spirit of God in your life is the fruit of God's Glory in your life. This is possible because of the resurrection of the Lord Jesus Christ. God's Glory is the source and that source is Jesus manifested in the flesh. God's Power is the fruit, the result of the Glory of God and that Power again is Jesus. The Glory of God is Jesus in your life and now as you receive Him as Lord and Savior, He is able to make you His abode. All this is truly possible because of His resurrection.The Glory of God, who is Jesus, produces the Power of God, the Power of God is the manifestation of the Gifts of The Holy Spirit. So when we see the Power of God being manifested, we can only conclude that Jesus is in our midst. He reminded and commanded us the following: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen" (Matthew 28: 19-20 KJV). How is this possible? It is only possible through The Resurrection of our Lord from the dead.
